

# TPMA

## Why hire a TPMA Certified Project Manager?

TPMA Certified Project Managers have demonstrated That they possess technical knowledge in their industry area (Telecommunications, Wireless, Outside Plant etc.), project management knowledge, including;

- Project Risk Management
- Project Scope Management
- Project Quality Management
- Project Human Resource Management
- Project Procurement Management
- Project Cost Management
- Project Communications Management
- Project Integration Management
- Project Time Management

They have also demonstrated the ability to apply that Knowledge to a project within their technical area creating a Project plan that includes:

Scope of Work (SOW)

Organization Breakdown Structure (OBS)

Work Breakdown Structure (WBS)

PERT/CPM/Network Diagrams

Project Quality Plans

Project Communications Plans

Critical Path Management

Project Safety Plans
